9. Fison Food Factory reserves the right to amend prices without notice.
10. Fison Food Factory strives to meet all special dietary requests, however, it should be noted that within the kitchen premises our staff handle nuts, seafood, shellfish, eggs, dairy products, products containing gluten and sesame products. Whilst the utmost care is taken when providing special dietary solutions, it is advisable for individuals with extreme health threatening allergies/food intolerances to provide their own food items.

### A HELP ENTERPRISES INITIATIVE

Fison Food Factory first opened in 2013 as a proud initiative of disability care organisation HELP Enterprises.

Located at HELP's head office in Eagle Farm the café not only serves up a mean cup of coffee, but also provides exciting employment opportunities for people with disability.

At Fison Food Factory people with disability can transition into supported employment and gain a range of hospitality skills including food preparation, cooking, customer service, coffee making, and kitchen maintenance.

When you become a customer of the Fison Food Factory, you are buying much more than a tasty bite for lunch. You are becoming part of our story and helping our supported employees earn an income, live more independently and achieve their goals.
